			<ul style="list-style-type: none"><li>• Red Ribbon Week will most likely be virtual planning – everyone start researching a TED talk for kids or virtual presenter that can talk about the effects of drugs that we can record and send out to students . Would like to have these presentations to be suitable for K-12 (all grades)</li><li>• Could possibly send out a give away during Red Ribbon Week – research what would be an inexpensive goodie that students would like to receive</li><li>• Drug Take Back Day in October will take place but the DEA is still working out the logistics – Matt will be keeping us updated</li></ul>
<p><b>Next Meeting: September 17th at 11:30 AM</b></p>
