## ***Coalition Updates***

Newsletter Written By: Tiffany Bowser, AHHYC Chair

On Friday November 11, we held our first ever Veteran Recognition Breakfast. AHCS partnered with Hardees in Covington to purchase breakfast for local veterans. Twenty-five veterans were treated to breakfast as well as prevention related items such as medication lock boxes, pill sorters, and medication timer caps. Angela Rice, our Veteran and Family Case Manager was on hand to greet individuals and share what services are available to them in our agency. The veterans and their families were very thankful for the breakfast and the appreciation shown to them. We hope to make this an annual event.
