Prevention Services was excited to join the city of Covington and the town of Clifton Forge as community members celebrated Juneteenth with two separate events this year, one on June 17 and the other on June 19. Juneteenth is a holiday celebrated on June 19 to remember the emancipation of enslaved people in the US. The holiday was first celebrated in Texas, where on that date in 1865, in the aftermath of the Civil War, enslaved people were declared free under the terms of the 1862 Emancipation Proclamation. Each celebration included speakers, fellowship, food, and fun.

Free Sports Physicals Are A Hit

Lewisgale Alleghany and Bath Community Hospital Covington both offered free physicals for local students who plan to play sports in the upcoming year. Prevention Services along with Alleghany/Covington Health Department and Sandra McHenry with the YMCA shared educational materials, prevention education, and information regarding concussions free to those in attendance.
