## **Mountain Gateway Hosts Back To School Event for First Year Students**

Prevention Services was a part of the “Back To School” event held at Mountain Gateway Community College. Over 200 students participated in a scavenger hunt, lunch, and meeting vendors who provided information and free “swag”. Students received information on Problem Gambling, Suicide Prevention, and Substance Use.

# August

We had an amazing turn out at our August Healthy Youth Coalition meeting. We had representation from Anthem, Lewisgale Allegheny, Allegheny County Sherrifs Office, Allegheny / Covington Health Department, VDH, Youth and Parent stakeholders. Having a wide variety of participants is a great way for us to come up with innovative events and activities to engage our youth and community members. We would love to see even more participation and anyone is welcome to join us. The first Thursday of every month, at Cucci's at 12:30 p.m.

# JOIN US

# WELCOME Back to SCHOOL!

Allegheny Highlands Public Schools hosted a vendor fair for all school personnel as a way for them to mingle and share in some back to school fun.

It was amazing to see so many excited faces that were ready and willing to take on a new school year that is full of change and the possibility of success.

BETTER  
TOGETHER

# #END OVERDOSE

 International Overdose  
Awareness Day

 PENNINGTON  
INSTITUTE

## International Overdose Awareness Day

Prevention Services hosted a “Curb Side REVIVE!” event on August 31 in an effort to raise awareness regarding overdoses. Individuals were offered the ability to do “Rapid REVIVE” which is a 5 minute training on how to implement Narcan. The individuals who completed the training also received Narcan and a REVIVE kit. Community members even stopped by just to say “Thank you” for the services that we provide. It is uplifting to hear that we are making a difference in our community.
