

# DECEMBER NEWSLETTER

*Allegheny Highlands Healthy Youth Coalition*

## ***Coalition Updates***

Newsletter Written By: Tiffany Bowser, AHHCY Chair

**While the month of December can often be hectic and stressful, our Prevention Services Department was able to slow down a bit and concentrate on training and education.**

**We were excited to again sponsor one of the Magic on Main Street events this year. Parents and children alike lined up the block to see “The Polar Express”. The movie, drink, and popcorn were provided free of charge.**

# It Takes A Village

**Sharon Elementary School and Callaghan Elementary School were the latest to be visited by our Smoking Stinks team. We are thankful for our volunteers from Allegheny Highlands YMCA Healthy Highlands Program, Roanoke City and Allegheny Health Districts, Lewisgale Allegheny Hospital, and the Allegheny County Sheriffs Office and Regional Jail for assisting us in these presentations.**
