SAN JUAN & 988

Each month the Allegheny Highlands Healthy Youth Coalition partners with a local business to distribute 988 stickers to the community! This month we partnered with San Juan to give out both Spanish and English 988 stickers.

TOBACCO SCHOOL

The prevention team meets twice a month at Allegheny High School with students who are caught with tobacco and nicotine products. These students are educated on the dangers of tobacco and nicotine then provided with resources to help them quit.

The prevention team is very thankful for all the wonderful community events we were able to attend in October.
